

Pastor Skylar came to Christ while studying Philosophy at Arizona State University. He became convinced that he is a sinner deserving death, but that God's gift of eternal life is freely available through repentance and faith in Christ's death and resurrection. He was baptized and grew under loving, rigorous biblical discipleship at Berean.

After graduating from Arizona State, God opened a door for Pastor Skylar to assist a missionary family in arctic Alaska. While ministering in various capacities in the small villages of Alaska, Pastor Skylar became convinced of his call to dedicated Gospel ministry. Pastor Skylar returned to Arizona in 2011 to earn his Masters of Divinity while serving as a pastoral intern at Berean, as well as ministering and training in the Army chaplain candidate program. After graduating seminary, Pastor Skylar was ordained in 2015. Shortly afterward he married his lovely wife and best friend in the world, Heather.

Pastor Skylar directs the education ministries at Berean and serves in other ministries with the Pastoral team at Berean. His immediate goals include continued ministry at Berean, entry into the Air Force chaplaincy, and starting a Doctorate of Ministry.
